Our Options Range of Key Rings enables you to design your own individual Key Ring that will match your corporate identity in a novel and prestigious way. You simply select your requirements from the options shown and we will do the rest.

Option 1 - select the style of ring attachment you would like from the five designs illustrated

Option 2 - select the shape of the leather:
• Triangular = TR • Oblong = OB
• Rounded = RD

Option 3 - select either a padded (P) or a looped style (L)

Option 4 - select the colour and type of high quality full hide leather required.

For a small surcharge on 250 pieces or more, we can pantone match to your specific requirement.

Option 5 - select either to blind emboss or foil block your logo on the leather.
The option to Screen Print or Laser Engrave your logo on the ring attachment is also available at an extra cost. Please enquire.

Option 6 - specify self colour or contrast stitching to match corporate colours

Option 7 - screen print your logo onto the lid of the box

Option 8 - specify the quantity

Colours are to the nearest standard match. If you require colours pantone matched, this can be done at a small additional surcharge. Please enquire. The lead time to manufacture and deliver your individual Key Ring is normally 4 - 5 weeks.

Standard leather colours
Melbourne: black, navy, dark green and pink.
Devonshire: burgundy, green, blue, black and brown.
